

ABB ELDS

ABB ELDS (Electrification Products Distribution Solutions);
***Distribution Automation** - Relion Relays, FT-Switches,
Instrument Transformers & Sensors, Outdoor Apparatus-
RMAG, Reclosers, Sectionalizers, Indoor Apparatus,
MV Secondary AIS - MV Switchgear, MV MCC Limit Amp,
LV SWGR ANSI, **Gas Insulated Switchgear (GIS),**
MV Breakers & Contactors and Services*

ABB ELIP-MV

ABB ELIP-MV (Electrification Products Medium Voltage);
*Engineered solutions for Medium Voltage address the
constant need within the utility industry to improve systems
hardening, grid resiliency and safety. Whether systems are
overhead or underground, our products deliver superior
performance for continuous operation during their lifespan*

Blackburn®

Blackburn Overhead connectors

elastimold®

*Elastimold Solid Dielectric Switchgear, Solid Dielectric
Reclosers and Cable Accessories*

FISHER PIERCE®

Fisher Pierce Fault Circuit Indicators

Hi-Tech®

High-Tech current limiting fuses

HOMAC®

*Homac Underground, Substation & Street Lighting
Connectors*

JOSLYN®

Joslyn Air Break Switches, Capacitor Switches & Controllers

HITACHI ABB

***Hitachi ABB Power Grids;** A global manufacturer of quality
transformers, HV breakers, relays, capacitors,
HV components and power quality products.*
